

A photograph of walnut kernels. The kernels are arranged in two main groups: a smaller group of darker, brownish kernels on the left and a larger group of lighter, yellowish kernels on the right. They are scattered on a light-colored fabric surface that transitions into a coarse, brown burlap texture on the right side. The text 'Ukr – Walnut Llc' is overlaid in the center in a white serif font, and 'Khmelnyskyi, Ukraine, 2021' is written below it in a smaller, italicized white serif font.

Ukr – Walnut Llc

Khmelnyskyi, Ukraine, 2021
